Car Loan Seekers are eager prospective buyers actively seeking information and approval for a car loan. Whether it be for a new or used car these individuals are reaching out to get the financing help they need to get their automobile. Consumers apply while indicating their age, income, homeowner status, presence of children, and more. They can also look into the value of their current car and what they may expect for a trade in value. The sites also include loan calculators, warranty extension links, and quotes for new cars.

• Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).

• Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.
