Debt Consolidation Today is an Internet resource that helps consumers with debt problems. Consumers can find helpful information and resources such as how to get out of debt and lead a debt-free life. They can also find Frequently Asked Questions (FAQs) and Debt Articles which help them better understand Debt Consolidation, Debt Settlement, and Debt Management. Debt Consolidation Today is also proud to offer a Free Debt Consultation by telephone. If they have over \$10,000 in unsecured debt, and have at least two unsecured accounts, the customers will qualify for a Free Debt Consolidation Consultation.

• Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).

• Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.
