

Debt Reduction Center

Monthly Hotline: 15,500 **12 Month Count:** 150,000
Mail - \$95/M Non Profit - \$75/M

Debt Reduction Center is generated through a Site with one goal: Elimination and Consolidation of consumer debt. They know that getting into debt is a whole lot easier then getting out of it. Debt holders come here for a solution and information on how to get on the right path to a debt free life. They work with non profit credit counseling services to get back on their feet, avoid bankruptcy, collections calls, etc. These consumers are looking for help, lower rates, and any savings they can find on needed products and services. They provide valuable self reported data including Amount of Credit Card Debt, Best Contact Time, Name, Address, Phone, and Email Address. These are great prospects for debt consolidation, credit offers, insurance, continuity clubs, etc.

• *Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).*

• *Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.*
