Interactive Card Family is the most comprehensive list of credit seekers available today. These individuals are all applying and responding to offers for secured and unsecured credit. The file contains both online and offline generated segments. The online segment consists of those searching and applying via the internet and the offline segment contains those responding to direct mail solicitations. These consumers will be extremely responsive to credit offers, cash advances, and other loans. These are the exact solutions and opportunities they are currently seeking!

• *Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).*

• *Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.*
