

Interactive's New Connect Database

Weekly Hotline: 68,500 **12 Month Count:** 2,630,000
Mail - \$95/M **Non Profit - \$75/M**

This file offers daily updates on consumers who have activated a new landline in their place of residence. These are verified new connects for renters and homeowners and you can be the first to reach them. When a number is first connected the answer rate is extremely high due to the excitement of inbound calls on the new line. The list is performing well for magazine offers, satellite television, internet services, and more. Get in touch with us today for further information on what's available.

- *Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).*
- *Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.*
