

Steadfast Republican Donors

Quarterly Hotline: 201,500 **Total Universe:** 8,589,500
Mail - \$85/M **Non Profit** - \$75/M

These committed contributors have all donated money to a republican candidate or an association for the Republican Party. A high percentage of this file has donated multiple times, showing their allegiance and financial support for their political candidates, organizations, and conservative values. These high dollar contributors are a perfect test for all charities and fundraising, political associations, political campaigns, and much more!

We use a unique, statistical based, inference model to identify those voters who are not in the compiled registration roll files. We do so at a certainty rate of at least 95% based on a proven multi-source profiling model.

• *Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).*

• *Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.*
