The Mortgage Lead Source offers some of the most targeted selects currently on the market. The file can be broken down by Length of Residence, Household Income, Home Value, and the Homeowners Ages to name a few. Every homeowner has a need for products and services. Most homeowners are more inclined to make larger purchases. These homeowners are great for any credit, insurance, appliance, and much more!!! With these selects the market you are trying to reach can be easily targeted.

**Average Age:** 42

**Average Income:** \$56,500

• *Our consumer data is continuously updated and processed against both the USPS National Change of Address (NCOA) and Delivery Sequence File (DSF), producing a database that is highly deliverable (93% or better in most cases). The information is also carrier route and ZIP+4 coded using the USPS certified Coding Accuracy Support System (CASS).*

• *Selections are available through our unique multifaceted data overlay approach which appends information to transactional data using credit, public record, survey and census data information.*
